

D2L Partner Program

D2L's partners are industry-leading enterprise software providers and service organizations that enhance or complement our educational services offerings to corporations and educational institutions worldwide.

CORPORATE LEARNING

Extend engagement of the next generation workforce.

HIGHER EDUCATION

Achieve efficiencies and provide important learning tools.

K-12

Provide choice and create a flexible learning environment

TRAINING ORGANIZATIONS

Empower professionals with cutting-edge solutions to excel in their careers.

GOVERNMENT

Enhance public sector efficiency and effectiveness through innovative learning solutions.

Partnering with D2L connects you to the **fastest-growing LMS community**, showcasing your solutions on a **trusted platform**. Our clients value D2L's expertise, and as a **vetted partner**, you gain **credibility and visibility**.

Our program is structured to reflect the specific type and depth of relationship your organization is looking to achieve.

Non-Partner Integrator

Integrate seamlessly with D2L's ecosystem.

Integrator Partner

Provide support to mutual clients.

Certified Partner

Vetted partners enhance your credibility and reach through D2L's customer base.

Strategic Partner

Hand-picked partners with deeply aligned values, and critical solutions. Ensure mutual growth and success.

Transformational Partner

Harness our market leadership and advocacy expertise to achieve transformational impact for your clients.
